

HILTI TOOL SERVICE TERMS & CONDITIONS

1. Hilti Tool Service

- 1.1. All repairs undertaken by Hilti are performed in the Hilti Tool Service Centre (TSC) Hilti trained technicians and using only genuine Hilti replacement parts.
- 1.2. Should the customer at any time decide on his/her own to render tool servicing that is performed by either the customer him-/her-self and/or by 3rd parties, which is not in accordance with the manufacturer's guidelines, Hilti's tool service benefits outlined in these Terms and Conditions shall be null and void.

2. No Cost Period

- 2.1. For up to an initial two-year period, starting from the date the tool was purchased from Hilti, all repairs will be provided to the customer free of charge. Provided that the tool has not been subjected to any misuse or neglect, see clause 10. This includes:
 - 2.1.1. Collection and transportation costs
 - 2.1.2. Labour costs
 - 2.1.3. Faulty parts and parts subjected to reasonable wear and tear
 - 2.1.4. Servicing when indicated by the service indicator on the tool
 - 2.1.5. Functional check, adjustment and safety check
- 2.2. For diamond systems with an operating hours counter, the No Cost Period applies for 2 years or 200 hours, whichever is earlier.
- 2.3. At the end of the No Cost Period, tool repair costs will be charged to the customer unless covered under the Manufacturer's Warranty. For Hilti repair charges, see clause 3.

3. Repair Cost Limit

- 3.1. At the expiration of the No Cost Period, Hilti sets a Repair Cost Limit (RCL) for the lifetime of the tool. For repairs requested by the customer outside of the initial No Cost Period, Hilti will invoice the customer a maximum of 30% of the RRP of the corresponding new tool (Repair cost Limit) plus GST, provided that the tool has not been subjected to any misuse or neglect, see clause 10.

- 3.2. If the actual cost of the repair remains below the Repair Cost Limit, Hilti will charge only the actual cost of spare parts and labour.
- 3.3. The RRP is the price shown on www.hilti.co.nz at the time of the repair(s). The Repair Cost Limit values are available from Hilti website.
- 3.4. Hilti reserves the right to adjust the calculation basis of the Repair Cost Limit without any prior notice.
- 3.5. For 3 months after every charged functional repair, a 3-month No Cost Period will apply; see clause 2.
- 3.6. The 3-month No Cost Period commences from the time a charged repair is dispatched from Hilti's Tool Service Centre and is deemed to end if no repair order is received for the same tool within 90 days from dispatch.
- 3.7. The Repair Cost Limit will apply for the lifetime of the tool on the condition that Hilti carries out all repairs over the tool's life.

4. Manufacturer's Warranty

- 4.1. For a period of 20 years and provided all repairs are carried out by Hilti, Hilti will repair or replace, free of charge from the date of purchase, tools that are defective due to:
 - 4.1.1. Faulty tool component
 - 4.1.2. Inherent design flaw
 - 4.1.3. Manufacturing faults
- 4.2. General Terms and Exclusions apply, see clause 8.

5. Time Promise

- 5.1. Hilti will repair and return the tool to the customer within 5 working days or the repair will be free of charge, excluding rural addresses.
- 5.2. All tools for repair must be sent to Hilti individually, to enable tracking of each tool and serial number. The Time Promise does not apply to tools that are packaged and sent to Hilti together.
- 5.3. Hilti is not liable for any damages or losses caused by late delivery of a repaired tool.
- 5.4. Exclusions apply. For a full list, see clause 9.

6. Pre-approvals, Quoted Repairs and Process

- 6.1. If the customer requires a purchase order number before a repair can proceed then the Purchase Order number must be provided at the time of booking in the tool repair, otherwise repair delays may occur.
- 6.2. Customers may choose to eliminate repair quotes and decrease turnaround times by pre-approving charged repair costs up to the Repair Cost Limit.
- 6.3. Should the customer provide Hilti with written advice that they pre-approve all future Hilti repairs up to the maximum Repair Cost Limit, Hilti will proceed without notice and the repair will be eligible for the Time Promise.
- 6.4. Hilti will proceed without notice or quotation when the repair cost is less than or equal to \$200 NZD, excluding freight and GST.
- 6.5. If the repair cost is greater than \$200 NZD (excluding freight and GST), a quote will be provided only on request.
- 6.6. Repair quotes will remain open for seven working days from the quote's creation date. Hilti will make all reasonable attempts to contact the customer with the quote throughout the seven-day period.
- 6.7. If the customer is uncontactable, does not reply or chooses not to proceed with a charged repair within seven working days from the quotation date, the quote will be closed, and the tool will be returned unrepaired and disassembled.

7. Delivery charge

- 7.1. Hilti will only charge delivery fees for repairs outside the No Repair Cost period; see clause 2.

8. General and Exclusions

- 8.1. WSR reciprocating saws (WSR 900, WSR 1250 PE & WSR A-22 tools) used in pallet manufacturing / re-working or auto-wrecking industries are not covered by Hilti Tool Service.
- 8.2. DSH gas saws (DSH 900-X, DSH 700-X) are covered by the manufacturer's warranty. However, they are not covered by our wear & tear coverage.
- 8.3. Accessory items which are added attachments to the tool and are not part of the tool body are not covered by Hilti Tool Service – such items include but are not limited to dust removal attachments, pole tool extensions, vacuum accessories, guide rails and other such items classified as "Accessories" on Hilti website www.hilti.co.nz.

- 8.4. Consumables including but not limited to magazines, fastener guides, pistons and buffers in direct fastening tools, filters for vacuum cleaners and gas saws, pull cord assemblies and detachable power supply cords are not covered by Hilti Tool Service. Repair or replacement cost of these items shall be at the customers' expense.
- 8.5. Hilti does not offer partial repairs, only full functional repairs to restore the tool to factory standards for maximum performance.
- 8.6. Any self-repair beyond the allowed serviceability parts will null and void all warranties.
- 8.7. Stolen tools must be reported to Hilti immediately and tool serial numbers provided.
- 8.8. Tools from customers on credit block will not be collected or booked for Hilti repair.
- 8.9. The Repair Cost Limit and 3-month No Cost Period on repaired tools, do not apply to batteries and chargers.
- 8.10. Hilti reserves the right to deny the repair cost limit for customers who misuse tools or damage tools beyond normal working conditions.
- 8.11. Hilti standard Terms and Conditions of Sale apply.

9. Time Promise Exclusions

- 9.1. Advanced layout tools (POS, PLT), Heavy diamond tools (DS tools and wall saws), DD 350, DD500, mining tools (TE MD), PS 1000, PS 250, PS 200, Hat 28, DPG 100, DSH 900-X, DSH 700-X, Anchor Tester 4.
- 9.2. Bespoke produce, special equipment / non-standard list items.
- 9.3. Tool repairs which need clarification from the customer to complete the repair.
- 9.4. Tools which have been returned to Hilti for a repair quote request.
- 9.5. Deliveries which are denied, refused or rescheduled by the customer.
- 9.6. Tools which are shipped as dangerous goods.
- 9.7. Repairs collected from the customer by a third party not instructed by Hilti.
- 9.8. Items which never received a serial number from Hilti.

9.9. Addresses containing Rural Delivery Postcodes.

9.10. Deliveries which are delayed by a Force Majeure event.

9.11. Days when Hilti Tool Service Centre is not operational due to holidays or other special occasions.

9.12. 10 working days before and after Christmas Holiday period.

9.13. Repairs collected from the customer by the Hilti account managers are excluded. Only courier pick-ups are included.

10. Misuse and Neglect

10.1. Hilti tools shall be used for their intended purpose only, in strict compliance with the operating instructions and other instructions issued by Hilti. Where damage is caused by improper use, repair, or use other than the normal purpose, the Customer shall be liable for the loss, damage, or repair costs. Hilti tools shall only be used with the corresponding tool inserts, parts, accessories, and consumables of Hilti or with other products of equivalent quality.

10.2. Damage to the tool caused by:

10.2.1. Water Damage

10.2.2. Fire

10.2.3. Rust or corrosion

10.2.4. Insect infestation

10.2.5. Power outages or surges
